The Director,
Shri Rawatpura Sarkar Institute of Medical Sciences and Research
(Managed by Shri Rawatpura Sarkar Lok Kalyan Trust, Dhaneli, Raipur C.G.)

Subject - Essentiality and Desirability Certificate

Sir,

The desired certificate is as follows:-

- | | |
|--|--|
| (1) No. of institutions already existing in the State. | 14 |
| (2) No. of seats available or No. of doctors being produced annually. | 1915 |
| (3) No. of doctors registered with the State Medical Council. | 13514 |
| (4) No. of doctors in Government service. | 2718 |
| (5) No. of Government posts vacant and those in rural/difficult areas | 2803 |
| (6) No. of doctors registered with Employment Exchange. | Nil |
| (7) Doctor population ratio in the State. | 1:15916 |
| (8) How the establishment of the college would resolve the problem of deficiencies of qualified medical personnel in the State and improve the availability of such medical manpower in the State. | Proposed Medical College will produce 150 qualified doctors per year. This will increase qualified rove the practitioner in the State. More doctors will be in the available to serve the increasing population. If such provision is not made with the increase in the population, the doctor: patient ratio shall further decrease and the medical facilities available in the coming year will further become inadequate. |
| (9) The restrictions imposed by the State Government, if any, on students-who are not domiciled in the State from obtaining admissions in the State, be specified | The admission will be strictly on the basis of State admission Rules. Out of total seats, 42.5% seats are contributed in the State Quota, another 42.5% seats are contributed in management Quota, and rest 15% seats are contributed in NRI Ouota. |
| (10) Full justification for opening of the proposed college. | Paucity of doctors in the State leads to difficulty in providing medical services to the public in general. Establishment of the Medical College would not only redress this problem but would also help enhance the Medical Services in the State. |
| (11) Doctor-patient ratio proposed to be achieved | 1:1000 |
