To,

**The Dean,**

Shri Rawatpura Sarkar Institute of Medical Sciences (SRIMSR)

Raipur, Chhattisgarh.

**Subject:** Information regarding a fake letter circulating in my name.

Respected Sir,

I am writing to bring to your attention a matter of a fake letter being circulated in WhatsApp on my name. I categorically deny writing or mailing such a letter to the National Medical Commission or any other authority.

The facts are as follows:

- I had applied for the position of Assistant Professor at SRIMSR, Raipur, and received an offer letter.

- I submitted my Aadhar card, PAN card, and Xerox copies of documents for AEBAS registration.

- Due to personal reasons and commitments, I was unable to join SRIMSR.

The points mentioned in the fake letter are entirely incorrect, false, and fabricated. I have never visited the college, and the statements in the letter are inaccurate and misleading.

I am aware that SRIMSR is a reputable institution, part of a charitable trust dedicated to social causes and promoting education in rural areas. I believe someone has maliciously fabricated this letter to tarnish the college's image and the trust's reputation.

I solemnly declare that I do not know any faculty members at the college and did not write this letter. I request your attention to this matter and appropriate action to address the circulation of this fake letter.

Thank you for your attention to this matter.

Sincerely,

Dr. N. Satyanarayana.
